

## HITCHIN DCS 6.10.13

### **Miniature Pinscher:**

Thank you to the Officers and Committee for inviting me to judge at your show and exhibitors for entering. A small but quality entry. Apologies for the lateness of these critiques.

**J** (3,2) Ist -Selbys Princess Jasmine At Charmist. Very feminine 7mth old Black & Tan Bitch, on top form today for one so young. Nicely marked, very pretty head with small well set ears, correct bite super topline and tail carriage, moved really well showing hackney like action. Very clean before & after. Lovely condition. Very Promising Puppy. BPIB. Was very happy to hear that she took Puppy Grp 1 and BPIS later in the day.

**PG** (2,1) 1 Santoriello's Pinicio Jelly Tot, 19mth old Red Bitch, another very feminine example, great for size, well set ears with scissor bite and good depth of chest, good angulations with excellent tail carriage. Moved soundly with glimpses of desired hackney. RBOB.

**O**(2,1) 1 Santoriello & Skeltons Pinicio Jelly Beanie. 19 mth old Black & Tan Litter brother to junior winner. Judged this boy as a puppy and was pleased to see how much he had matured on. Correctly marked with expressive typical head and again good ear set with scissor bite, good depth of chest, nicely angulated with slightly sloping topline and small cat like feet. Like his sister, splendid tail carriage. Stood proud in profile and moved soundly with hackney like action and in great condition. Just preferred his presence to Junior. BOB.
