

## HITCHIN & DISTRICT CANINE SOCIETY

06.10.2013

May I take this opportunity to thank the committee for inviting me to judge, my steward for his efficiency and especially the exhibitors for taking part and allowing me the privilege of going over their hounds. I thoroughly enjoyed my day, although I did feel for the BOB winner who very sadly missed the call for Hound Group and was rather upset.

**Deerhounds J** (3. 0) 1 Tresh's Lyndorthwin Ethel Grey 16m B an elegant young lady showing a pleasing overall balance in body and movement when settled. She has a lovely head with width between neat, dark and well set ears, kind dark eyes and level scissor bite. Good length of neck reaching into well laid shoulders, correct front angulation, pleasing spring of rib and depth of brisket with adequate tuck up. Adequate width of hip and rear angulation. Feet are neat and well knuckled. Adequate bone but still has room to mature and can only improve further. Had free and easy movement, moving straight coming and going and holding her topline in profile. **RBOB and Best of the RBOB.** 2 Grimshaw's Lodhainn Bennbeheulan to Jamalison 3 Edwards Greyflax Mustang Sally of Brackenland **BP**

**PG** (3. 0) 1 Seymour-Jackson's Cassacre Aelfrida of Ghiltan 3yrs 10month B. Another lovely lady who is well constructed and curvy. Beautiful head and expression, kind dark eye and correct bite, long neck flowing into a well constructed front assembly. Deep brisket, good spring of rib and tuck up all flowing into pleasing fall away and rear angulation. Moved well and fore and aft keeping her topline. Just preferred feet of J1 and on another day the results could easily be reversed. 2 Spring-Arnold's Gentiehun Alice Spring. 3 Samway's Cassacre Aethelgild.

**O** (5.0). 1 Seymour-Jackson's Ghiltan Hero 7yrs D A lovely mature boy and typical of the breed. Good to see coat that is of length stated in the breed standard. He has a masculine head but without any coarseness. A long strong neck flowing into a correct top line. Well laid shoulders, correct front and good return of upper arm, Deep brisket and well sprung ribs with a good tuck up leading into proportioned rear angulation. He has plenty of bone and good feet. His movement was true, loose and active. Straight coming and going maintaining his top line on the move. A well deserved **BOB**

**Helga Jansons**
