## GOLDEN RETRIEVERS

### **PUPPY (5.3)**

1. Thornywait Cotton Eye Joe *Mr. A. Trinder*

First time out for this 6½ months lad with lovely gentle demeanour, well up for size but a balanced boy with beautiful two tone caramel cream coat, good front assembly, deep chest, and level topline and tail set. A little erratic on the move at times but he is still so young and has lots of time to learn his craft. My special congratulations to his owner given it was his first time at exhibiting today - a good job well done! **Best Puppy & BPIG.**

2. Goldlyn go With The flow *Mr. C. & Mrs. S. Hart*

### **JUNIOR (5.2.)**

1. Roshinru Ze Crème de Chintz *Mrs. S.D. Stables*

Super cream girl - carrying just a tad over in weight which affected movement today, but she excelled in front assembly with good length and angulation of upper arm and lay back of shoulder. Good depth of chest, level topline and solid rear quarters, excellent bone and bend of stifle with width behind and a very waggy tail to complete the picture! Pushed hard for reserve best of breed - I'll look forward to following her in the months to come.

2. Altindan Go With The Flow *Miss. A. E. Taggart*
3. Thornywait Cotton Eye Joe *Mr. A. Trinder*

Good solid bitch with very sweet head and expression, lovely champagne coat over good front and rear angulations, well off for bone, depth to chest, level topline straight in front and behind, moved well with drive.

2. Altindan Fair Weather *Miss. A. E. Taggart*

## **POST GRADUATE (4.2.)**

1. Millanza Bedtime Story *Ms. B. Angell*

Beautifully presented cream bitch displaying lovely head and expression with good reach of neck flowing into level topline and tail set. Excellent forequarters, deep chest, good bone, straight in front and behind, expertly handled she moved evenly and with drive on not the easiest of surfaces.

2. Altindan Fairweather *Miss. A. E. Taggart*

## **OPEN (7.3)**

1. Ousevale Where Its At *Mrs. Clarke*

Really loved this super balanced girl who was very much my type exhibiting a gorgeous feminine head and expression and beautiful caramel cream two tone coat. She excels in front and rear construction with good bone and depth to chest, displaying correct upper arm and lay back of shoulder both in lengths and angulations, plus a good turn of stifle with width behind. She kept her level topline and tail set on the move and presented a wonderful outline at all times - proud to award her **B.O.B.**
