Whippet

An absolute pleasure to judge the dogs here, all shown in beautiful condition and some very nice examples of their breed, good for size and some hair splitting decisions in my placings. Thank you to the committee for offering me this appointment.

Jnr. 1. Coster & Coster Cedarridge Slip Anchor. 13 month old fawn and white parti coloured male. Lovely gentle expression, in excellent muscle moved out with drive. Res BOB. 2. Gibson-Harries Aphrael Wellington At Whistlejacket. 10 month old fawn with white trim male. A little overawed at first but settled well, moved out well though not giving his handler the easiest time. BP. 3. Pitcher Willakyme Destiny's Promise.

PG. 1. Pitcher Willakyme Mayfly. Fawn and white brindle parti coloured bitch. Gorgeous light movement, covered ground without effort, well muscled with a gentle expression. 2. Gibson-Harries Gabledene Allegra At Whistlejacket.

Open. Knights & Stokes Lelaps Lumos Maxima. Superbly presented male, in top condition, moved out freely, gorgeous shape with no exaggeration at all, smooth rise over the loin. Kind eye giving a wonderfully gentle expression. BOB and Grp 3. 2. Gibson-Harries Cedarridge Viscount At Whistlejacket.
