

Thank you to the Committee for the invitation to judge my lovely breed. The first entry numbers were good, unfortunately there were several absentees. The ring surface didn't suit some of the dogs and their movement suffered as a result.

P(6,5a) McInally's Braemarra Flowerbomb. Super Blenheim bitch at her 1st show age 6 months 4 days. So well put together. Very pretty head, well arched neck good shoulder placement, leading into a level topline which she kept on the move. Good spring of rib and correct angulation. Typical waggy well set on tail. Scrummy, I could have taken her home. BP & RBOB.

J.(6,5a) 1.Cracknell's Sorata Henly Wet Socks. Black & Tan dog of 17 months. Lovely full masculine head. Good shoulders level topline on the move and standing, moved with ease around the ring. Very well groomed as always from this exhibitor.

P.G.(4,1a) 1.Bryant's Ellimich Buggy Malone at Lucanico.19 month old Blenheim dog. Masculine head with lovely large dark eyes. Kept level topline although not too happy on ring surface. Coat rich tan with long feathering. Well groomed, slightly longer in back than I prefer.

2 Greensmith & Whitman's Dersue Arthur Pint.

3 Sutcliff's Aristor Fern.

O.(5,2a) Two exhibits I have previously given BOB but neither moved so well today.

1 Hogan & Cortes' Stavonga Angel Eyes. Well named. Pretty 2 year old Blenheim bitch with beautiful large eyes and black pigments. Correct bite, good shoulders and spring of rib. Moved well in all directions. Well broken coat beautifully groomed.

Sympathetically shown by her young handler. BOB.

2 Bryant's Cobbets Frankly Frankie at Lucanico.

3 Cracknell's Sotata Bertie ShCM.

Marilyn J Pipkin. Judge.
