1st Hope and Draper's Kimedee Viking Trader 4 yr black male, Entered ring with proud gait, and continued to impress. Male, looking like a male, clean face, correct dentine, well chiselled foreface. Strong neck leading to well muscled body. Well sprung rib, and superior drive when asked after settling down. The gleam on this boy's coat completed the picture. BOB Gr 4

POODLE STANDARD

Junior

1st Collins's Pettapearle Sapphire .. 16 mth b Very mixed class with ease in selecting this young girl. Feminine expression with long and fine head. Good eye with pleasing length of ears. Good straight front with correct short back. Very mixed class but this example out moved the competition despite a somewhat over load P.A.system.

2nd Dunscombe & Heywood's Jorgei One Of The Few..15 mth m Br. Very showy lad, with good gait and topline. Male in appearance, with plush but harsh enough coat. Would have preferred to see his movement a little less bouncy, as this detracted from the drive required.

Post Grad & Open

1st Vincent's Dusky Orange At Khyzahra. 8 mth b In typical puppy coat. Did not want to settle earlier, may be due to P.A system and the excitement of the day, However, showing much promise with all the desired qualifications, including short back and free movement.

2nd Vincent's Khyzahra White Diamond.

POODLE TOY
