Junior Dog/Bitch (2)

1 Wilde's Blackthorpe Bryony, 9 month old bitch in good coat, well-balanced with excellent movement and correct topline. Head well-proportioned with good length and a nice dark, almond-shaped eye. Would have liked a slightly higher tail set, but good tail shape. Good body for her age. BP, RBOB.

2 Caley's Rumors Dream Catcher

Post Graduate Dog/Bitch (2)

1 Mills' Blackthorpe Lost In You, 2 year old bitch with a solid, compact body. Low to the ground and well slung in front with a good topline and well set tail. Skull and foreface in proportion but could be longer, good eye and correct bite.

2 Webster's Melaimée Cocktail

Open Dog/Bitch (2)

1 Mills' Blackthorpe Bianca, lovely mature 5 year old bitch. Low to the ground and short-backed with excellent depth of chest and well-muscled throughout. Moved better in front than in rear. Correct head with good ear set and shape. BOB.
