Curly Coated Retrievers

Thanks to the Society for the invitation to judge, to the ring steward and the exhibitor.

J. (1.1) **Stormacre Into The Groove At Fleetpaw**. Only 9 months, developing masculine head and appealing expression. Dark oval eye matching dark and deep coat of tight curls. Good forechest with width, straight forelegs. Rear will strengthen up, good tail set. Untidy on the move, shows reach and drive, with promise of more to come. Outgoing puppy enjoying his day. RBOB, BP.

PG (0).

O. (2.1) **Maycourt Magic Dance of Fleetpaw**. 21 months bitch with feminine and sweet expression. Scissor bite. Well-proportioned head and neck. Nice profile standing with good underline and shape to rear and thighs. Held topline on the move. Abundant coat of tight curls. Excitable, which affected movement today. Moved well later in bigger ring. BOB.
