1<sup>st</sup> Samways Cassacre Viking Midshipman

What a fantastic boy, he really took my interest, T/W. A true old fashioned type, he not only showed and stood well he ticked all the right boxes of the breed. Lovely head of correct shape and well set ears, dark eyes and a good bite. Neck flowed well into clean and nicely laid back shoulders, nice rise of the loin, good length of stifle, plenty of drive on the move.

2<sup>nd</sup> Pell Pipinsbrook Minnie the minx at Olliebark

I felt a write up on this bitch was needed as I had two great dogs in the ring. A beautiful young bitch that demanded your attention, nice attractive head, she stood and showed well, and the lovely topline, slight rise of the loin showed in the drive of the movement.

1<sup>st</sup> Samways Saucy Nancy Cassacre

9 year old bitch, despite her age she would still be able to do the job she was bred for, she was very lively and wanted to go, hence she didn't walk too well in the ring, she would have preferred to run!!!! Good wedge shape head, good bite, nice topline with rise of the loin. Good loose pelt and harsh coat.
