

Hitchin and District Canine Society

Open Show 18th October 2015

DOBERMANNS – J (3,2a) 1 Hopkinson's Otago Gotta Be Me, 7 months dog. Beautiful outline, well proportioned, loved his masculine head & expression. Well balance for a baby, a little loose on the move but very promising puppy. BP, RBOB.

PG (2) 1 Ryman's Dobeaven Sea Pearl, 19 months bitch. Super bitch, very feminine, showed herself beautifully, in hard condition & it showed in her movement which had drive & purpose. Lovely arched neck, well set on very correct shoulders, well balanced. Very mature for a young girl. BOB;

2 Gibbons' Aritaur French Connection, 2 years dog. Well built male, lovely head, very well balanced stood but a little hurried on the move, needs time to fully mature.

O (1) 1 A French Connection.

LEONBERGERS – J (1) 1 Niall & Rothery's Davenheath Forever Blue, 11 months dog. Masculine head with dark mask & eye, correct earset. Good lay of shoulder which leaves room for a super forechest on such a young dog, correct proportions. Movement a little hurried to start with but got better – somewhat exuberant! BP, PG1.

PG (1) 1 Niall & Rothery's Davenheath Exciting Times, 2 years bitch. Super feminine head, good neck on well set shoulders, excellent tight feet, lovely girl just didn't make the most of herself today. Moved OK.

O (2) 2 super bitches which could easily change places but they were completely different types & I preferred the type of 1.

1 Dalison's Dacfolke Xanthia, 4 years bitch. Beautiful bitch, left her coat at home but didn't matter as showed her excellent construction underneath. Super outline & balance, correct angles front & rear, feminine head but slightly loose lips. Moved with such ease & elegance. BOB;

2 Niall & Rothery's Davenheath Dainty Lady, 3 years bitch. Another lovely bitch with many of the attributes of 1 in a smaller package! In super coat & condition & handled well, moved well which won her RBOB.

ROTTWEILERS – J (5,4) 1 Lee's Chapmeek Jamaican Vibes via Leebee, 11 months dog. Absolutely loved this puppy, beautiful yet masculine head free from any exaggerations & in good proportion. Super powerful shoulders & strong neck, fab outline from all angles. Very solidly built though obviously has so much more to come, moves very well for a baby, a true workman. Very promising future. BP.

PG (6,1) First 2 stood out in this class & could easily change places.

1 Phillips' Jhava Indiana, 19 months bitch. Such a pleasure to go over, super feminine bitch, loved her head, super eye set, shape & colour gave her the most pleasing of expressions. Solid neck, well set shoulders overall super balance, correct angles front & rear, in fabulous condition, moved superbly once handler had gained a little confidence. BOB;

2 Lee's Leebee's Simply The Best, 17 months bitch. 2 months & not a lot else between these 2 cracking bitches. Similar attributes to 1, I preferred 1's expression. Moved well, just shedding coat but took nothing away from a lovely girl.

○ (3,1) 1 Lee's Chapmeek Up From The Ashes for Leebee, 3 years bitch. Lovely bitch, super head, fabulous chest, super balance though found her a little long cast, in good coat, moved well. RBOB;

2 Weber's Penvalter Abebi, 7 years bitch. Loved this bitch, old fashioned type head with super expression, sound bone structure & balance, age showed a little as not so free on the move as 1, however fantastic to see an oldie showing so well!
