

## HITCHIN & DISTRICT CANINE SOCIETY OPEN SHOW – 15<sup>th</sup> OCTOBER 2016

### Cavalier King Charles Spaniels

I would like to thank the Committee of Hitchin & District Canine Society for their invitation to judge at this well run show and also to my Steward who did an admirable job in her first stewarding appointment. Numerically although a small entry it was full of quality exhibits.

### Puppy (2, 0)

1<sup>st</sup> Barwell's **CHARLOTTETOWN SUMMER** – a happy exuberant 9 month Blenheim bitch, pretty head with nice dark eyes, good reach of neck leading to a level topline with correct tailset, moved correctly when settled, should have a bright future and pleased to award her Best Puppy and delighted she was awarded **Toy Puppy Group 3**.

2<sup>nd</sup> Jackson's **FORTUNAMAJOR TIME TURNER** – 7 month Tri, a pretty head, good shoulder placement, level topline, still has some maturing to do but with time could trouble the best, unlucky to meet the winner.

### Junior (1, 1abs)

### Post Graduate (2,0abs)

1<sup>st</sup> Brewer & Moody's **BOWFORT PATACAKE** – 21 month Blenheim bitch, lovely headpiece with the desired lozenge, deep forechest, correct shoulder placement, level topline and correct tailset, happy showgirl whose tail never stopped wagging. **Reserve Best of Breed**.

2<sup>nd</sup> Gore's **ARISTOR ROSANNA** – profusely coated Blenheim bitch, pretty head, nicely arched neck, level topline seemed a little overawed and just not as confident as the winner.

### Open (3, 1abs)

1<sup>st</sup> Brewer & Moody's **CHARLOTTETOWN SILVEE AT BOWFORT** – Every once in a while you come across a dog that you would like to take home, well this was the one! A stunning Tri bitch, nearly two and a half years old and what a cracker she is! Beautiful head, lustrous eyes, long ear leathers, straight silky coat, correct shoulder placement leading to a level topline, correct tailset and moved like a dream, pleased to award her Best of Breed and also delighted that she was awarded **Toy Group 2**.

2<sup>nd</sup> Barwell's **CHARLOTTETOWN CECIL** – 23 month old Blenheim dog, broad skull, with lozenge, long ear leathers, nicely arched neck, deep forechest, correct shoulder placement, level topline and good tailset. Not as happy today as I have seen him, maybe he was not keen on the venue and the noise, nevertheless a good example of the breed.
