

Hitchin & District Canine Society

Open Show 15th October 2017

Siberian Huskies – Judge : Ian Sinclair

I would like to thank the Society for inviting me to judge Siberians at their very friendly open show and the exhibitors for a lovely entry.

Junior 4 (1)

1st Penkhalas Kaska – RBOB BP - Nice grey bitch coming up to a year old. Nice foxy head with almond shaped eyes, set correctly. Well arched neck, front and rear angulation correct and balanced with level top line held on the move. Light footed and effortless going around the ring.

2nd Deshka's Cassiar Dyr for Polarcreek – 9 month old grey bitch very similar to 1 and could easily swap places on another day. All the positives in 1 can be duplicated for this lovely puppy and on the day just lost out in immaturity which showed in the movement but this is really being picky.

3rd Penkhalas Itaska

Post Graduate 9 (1)

1st and 2nd as Junior

3rd Alepenkye Fruit Loops

Open 8 (3)

1st Icebex The First Avenger JW – BOB 6 year old Grey boy who I have judged and admired before. Lovely head but not overdone, eyes and ear correct shape and set well giving a masculine but still maintaining a foxy shaped head. Front and rear assembly correct, level top line held on the move. Well muscled and in great condition. Good reach and effortless on the move.

2nd Alepenkye Fruit Loops – B/W boy who left most of his coat at home. 2 ½ year old and maturing nicely. Nice head, good front & rear angulation, everything in proportion. Moved well.
