Golden Retriever Critiques

A big thank you to the committee for a brilliantly run show and my exhibitors for my entry of 32 despite the SGRC show on the same day.

Minor Puppy 4 (3)

1st KEIGHTLEY, Richana Tiny Dancer, pretty bitch who moved well for a puppy of her age with round and tight feet. She also held her level topline throughout. BP.
2nd WEBB, Mitchnel Bear With Me By Hectson

Puppy 2 (0)

1st WEBB, Mitchnel Bear With Me By Hectson, just 6 months so a very young dog. However, he had good bone, a very masculine head, ideally sized and placed ears with a good bend of stifle.
2nd REEVES, Rheincroft Ice

Junior 6 (5)

1st BEESON, Esined Titania, although this bitch unfortunately stood alone, she was well deserving of her place. She had dark pigmentation, a well carried topline, good length of tail and moved with good reach and drive.

Special Yearling 4 (3)

1st HARDING, Eveninghill Lewis Carroll. This 12 month old bitch carried a level topline throughout. She had a good bend of stifle and dark pigment on her very feminine head.

Post Graduate 7 (1)

1st TRACEY, Denicol Chinese Whispers. I really liked this bitch as soon she was presented to me. Her tail was set perfectly from her level top-line, she had round and cat-like feet, and dark pigment. She also carried her feminine head very well on the move which was sound. BOB.
2nd WHEELDON & HURRY, Catnells Creme De La Creme JW.

Open 9 (3)

1st CRICK, Goldlyn Give And Take. This bitch was always happy to be in the ring which is lovely to see. She carried a level top-line and had dark eyes. She also had a good fore-chest and tight cat-like feet. RBOB
2nd WILLIAMS, Summeramba Top It Up.
