Tibetan Spaniels
Judge: Susan Rolfe

My thanks to all the exhibitors who came under me, following an extremely long day previously at the TSA Ch Show. The entry was superb quality, every one of them (apart from the puppy) are multi prize winning dogs this year. Unfortunately several were showing signs of tiredness, not unsurprisingly, and did not sparkle as I have seen them do.

Junior: 4(2)

- 1) Brandrick: Matsuri Socially Maid for Lillina. Beautifully balanced bitch, moved well and was enjoying herself. Lovely overall shape with typical head, nice dark eye and great ear fringes. Correct size and well-muscled. Nice to see the hare feet. RBoB.
- 2) Cameron: Malia The Princes Son. First show for dog and handler. BP.

Post-Graduate: 2

- 1) Rice: Ricox Somebody to Love JW. 18 month old bitch. A quality bitch who I have admired from the ring-side. Classic head, well-made and lovely to go over. Moved well, but, not on the sparkling form I have seen her.

Open: 5(2)

- 1) Wilson: Colphil Chloe-Tu of Sherrldene. I just love this bitch. Beautiful head and expression, nice eye, acting Aloof today. Lovely overall shape, good bone and muscle, nice front and depth of chest. Moved soundly. BOB
