

## GRIFFON BRUXELLOIS

Judge:

MEA KENDALL (HEADRA)

### **Junior (1)**

1st Miss M Swinge - Balthazar Shakira B A 16 month old very smart young lady. However the venue made this girl a little bit apprehensive. Very much in proportion. Pleasing head, ears a good size and well carried, lovely reach of neck and such a level back. Could carry a little more body weight over the ribcage but feel this will come with maturity

### **Limit (2)**

1st Miss M Swinge - Balthazar Tainted Love A ultra sound moving young lady of delightful construction and balance. She has a cracking head, nice dark round clear eyes, excellent nose pad with open nostrils and dark pigment, good turn up with prominent chin giving a true expression, tiny high set ears which were well used at all times, nice ribs good chest and brisket, true front and shoulders, short backed, square outline, level topline. I was very pleased to award her Best of Breed then very pleased to hear she went Group 1 under Mr Tim Ball.

2nd Mrs T Wood - Toffs Red Rose. Another young lady who was also a little bit apprehensive of the venue although only her 3rd ever show was holding it together enough. A very nice head, good turn up, dark eyes, well used small ears, good length of neck, alert expression, good front, small and cobby, square outline moved out with drive even if tail a little flat. Well muscled hindquarters, low hocks, excellent rear action with drive,
