Labrador Retriever

Puppy (6,5a)

1st McLellan's Sarandon Tanana – 11 ½ months old yellow dog in good coat, who stood four square. Masculine head and expression with excellent pigmentation, correct flow of neck into well laid back shoulders, deep chested, well off for bone, well bent stifle, correct tail set and carriage. Moved soundly but gave his handler a hard time **BP**

Junior (3,1a)

1st McLellan's Loumar Kiawah for Sarandon – 17 months old yellow bitch who I preferred for breed type and had the better coat today. Feminine head and expression, straight front with good bone, deep chested, well sprung barrel ribs, correct topline and otter tail. Moved soundly.

2nd Edwards' Kimbajak Precious Metal – 17 months old yellow dog who was not in his best coat today. Masculine head and expression with correct pigmentation, deep chested, well bent stifle. Moved well once settled.

Post Graduate (3,0a)

1st Bambrook's Marshwiggie Shakespeare at Ravoakar JW – A dog I have judged before. Yellow dog with masculine head and expression, straight front leading to compact feet, well off for bone, correct spring of ribs, short coupled, correct bend of stifle, good topline which he held on the move, would prefer a better tail carriage. Today he moved with drive and purpose.

2nd Rowley's Treantagh Dolly Rainbow – Smaller yellow bitch but balanced throughout. Feminine head and expression, correct length and flow of neck into well laid back shoulders, level topline, well sprung ribs, moved with purpose and drive. Just would prefer a touch more length in leg.
