WELSH CORGI (CARDIGAN)

J (2,1) 1. Frosdick's Elmsmere Co Star for Kalwig. 14 mth brindle/white bitch who I thought a super type, so well balanced, of nice size and on top of this she was good to go over. Feminine head and expression with good skull to muzzle proportions, moderate stop, medium sized eyes of good colour and with defined corners, ears of good size and correct set and scissor bite. Muscular neck of good length to balance, pretty good topline, nice length to ribcage, rib developing well for age, firm loin and tail good for length, set and carriage. Super front assembly with well laid shoulders, elbows close to the sides, forearms moulded around the chest and prominent sternum. Moving well all through with particularly good rear action. Good coat. **BOB.**

PG (1) 1. Frosdick's Kalwig Roulette. 3 yr old sable/white bitch. Another who was good to go over with muscular neck, level topline, ribbed well back, deep brisket, firm loin and correct tail for set and carriage. Attractive head of good proportions, excellent ears for size and set, eye colour blends with coat but corners could be more defined. Correct dentition. Good forechest but could stand tidier in front. Muscular hindquarters with hocks well let down. Moving well on the go around and again, nice firm rear action. **Reserve BOB.**

O (2,1) 1. Frosdick's Kalwig Ruadan ShCM. 5 yr old brindle point tricolour dog. Nicely balanced boy with neck of good length, level topline, good depth to brisket, firm loin and tail of correct set. Nicely proportioned head with good width of skull between his well set ears, moderate stop, eyes good for colour and correct scissor bite. Shoulders well laid, elbows close to the body but could use a tad more depth to forechest. Well muscled hindquarters with good turn of stifle and hocks well let down. Standing on excellent feet. Moving well enough all through. Somewhat out of coat on the day.

WELSH CORGI (PEMBROKE)

O (4,1) 1. Legerton's Ermyn Time to Dream for Solaw. 5 yr old tricolour dog. Well made dog who was nice to go over and presented in excellent condition. Neck of good length, firm topline, well sprung ribs, good depth to chest and muscular loin. Masculine head and expression with ears set on well, correct proportions and good mouth. Well made forequarters with nice layback of shoulder, elbows close to the sides and well arched, oval feet. Firm hindquarters with good angulation. Moving soundly and making the most of himself as he goes. **BOB.**

2. Aylott's Barwal Blazing Desert. Red/white dog approaching 5 years. Unfortunately out of coat which spoils the picture somewhat but a nicely balanced boy. Neck of good length, correct topline, pleasing rib and loin, good depth to chest and tail set on correctly. Nicely proportioned head with fair width to skull, moderate stop and good eye and ear. Could stand tidier in front. Moving out well in profile but not entirely settled. **Reserve BOB.**

3. Aylott's Brisam Subaru.

BOLOGNESE:

O(1) 1. Towers' Enjanika Midnight Blue. 2 yr old dog who pleased for overall type, size and balance. Compact in outline with moderate length of neck, level topline, well sprung ribs, short loin and tail good for set and carriage. Head of good proportions with good breadth to his flat skull, dark expressive eyes and correct dentition. Well made forequarters, standing straight on good feet. Moving nice and straight coming towards. Presented in first class order with pure white coat of correct texture. Excellent pigmentation. **BOB** and later made the Group shortlist.

CAVALIER KING CHARLES SPANIEL:

P (4,1) 1. Bloice's Scotlass Uptown Girl. 7 mth tricolour bitch who won here on head and expression. Balanced youngster with medium length of neck, level topline, ribbed well back, short loin and best tail set and carriage in the class. Feminine head which is

developing nicely with correct length of muzzle, dark expressive eyes which are well filled below, ears set on correctly and good dentition. Moving out nicely on the go around.

Delightful temperament. **Best Puppy.**

2. **Bloice's Scotlass Magic Moment.** 7 mth tricolour dog who turned out to be the littermate to the winner. He is also nicely balanced with moderate length of neck, firm topline, good length to ribcage and nice short couplings but right now he is carrying his tail higher than the ideal. Good eye and ear, correct length of muzzle and scissor bite but not the expression of the winner. Nice layback of shoulder, standing straight in front on correct feet. Moving well in profile and using himself as he goes.

3. **Hobbs' Beaconsfylde Ashes N'Roses.**

J (1) 1. Craig's Aldachell Zoe Ze. 12 mth blenheim bitch who I thought such a good type. She has the most attractive head and expression with good proportions, ears set on well, dark round eyes which are spaced well apart, nice fill below the eyes, well developed lips and correct dentition. Neck of moderate length, level topline, good length to ribcage and ribs developing well for age, firm loin and tail of correct set and carriage. She is just a shade longer but nothing untoward. Soundly constructed all through, with nice straight forelegs and firm hindquarters with nice turn of stifle. Moving freely with elegant carriage. Good coat and very nice markings.

PG (5,1) 1. Craig's Aldachell Zoe Ze.

2. **Hogan's Stavonga Sasha.** 22 mth blenheim bitch. Another quality girl but not quite as relaxed as she might be. She scored for type, size and balance and was good to go over given her sound construction. Moderate length of neck, correct topline, nice short loin and tail set on well. Feminine head and expression with good skull, correct length of muzzle, excellent eye and ear, very nice pigmentation and correct dentition. Well laid shoulders, standing nice and straight in front on compact feet and firm hindquarters with nice turn of stifle. Moving true but could have put in a little more effort into the proceedings. Well broken markings.

3. **Dawson's Luphenex Little Lady Katie.**

L(3) 1. Hobbs' Carolus Felicitation at Beaconsfylde JW ShCM. 5 yr old tricolour bitch who was a standout for me in this class. Balanced girl who never stops showing. Attractive head and expression with dark round eyes of correct set and well filled below, ears set on well, muzzle of correct length and well developed lips and correct scissor bite. 2. **Bloice's Scotlass Paper Rainbow.** 2 yr old tricolour bitch with lots to like and soundly constructed all through. Neck of good length to balance, pretty good topline, nice spring of rib, although ribcage could extend further back, and firm loin. Feminine expression but a tad heavier over the brow, good eye and ear, correct length of muzzle and desired scissor bite. She stands nice and straight in front on compact feet and has a good turn of stifle. Nice free action.

3. **Greensmith's Dersue Arthur Pint.**

O (4) 1. Hogan's Miletree Ophelia at Stavonga JW. 2 yr old blenheim bitch who I thought quite delightful. She has the most gorgeous head and expression; ultra-feminine and so correct with the very best of eyes, ears set on nice and high, muzzle of correct length, nice fill below the eyes, well developed lips and correct scissor bite. She presents a balanced outline with slightly arched neck of moderate length, firm topline, excellent ribbing, short couplings and tail good for both set and carriage. Shoulders well laid, straight forelegs of moderate bone, compact feet and firm hindquarters with nice turn of stifle. Moving true fore and aft and using herself at all times. Good quality coat and nicely marked. Very well handled. **BOB** and later looked so good in the Group where she secured **Group 2.**

2. **Hobbs' Beaconsfylde Catch The Kiss JW ShCM.** 3 yr old blenheim dog who is another with so much to like. He is nicely balanced, soundly constructed and good to go

over. Moderate length of neck, firm topline, good spring of rib, short loin and pleasing tail set. Nice layback of shoulder, standing straight in front on compact feet and correct rear angles. Somewhat heavier over the brow than preferred but he has a nice eye with good fill below, ears are set on well, correct length of muzzle and good dentition. Nicely proportioned head with pleasing eye and ear, slight stop and fine muzzle. Good outline with long, arched neck, correct topline, good depth of chest, slight arch over the loin and tail set on low. 3. Fryett's Silhouettig Shape of You.

PGD/B (5,1) 1. Fryett's Gianni Gala Girl at Silhouettig. This 3 yr old blue bitch headed what I felt was a rather mixed class. Pleasing head and expression with good proportions, slight stop, nice eye and ear and correct dentition. Nicely balanced with gracefully arched neck of good length, deep, narrow chest, slight arch over the loin and tail set on low. A tad wider in front than preferred but standing on correct hare feet. Moving well in profile and nice and straight when going away.

He appealed for overall type and is nicely balanced with neck of good length, correct topline and slight arch over the loin, ribcage extends well back, good depth to chest and tail correct for both set and carriage. 3. Fryett's Crystaldrift Leonidis at Silhouettig.

O (7,2) 1. Henshall's Gemolli Antique Tapestry JW. Another very varied class. The winner was this 15 mth fawn bitch who was a standout for me. She turned out to be the litter sister to the winner of the Junior class and they are so very similar and most of the comments apply to both. Feminine all through and so very well balanced with arched neck of good length, good depth to her narrow chest, correct topline and slight arch over the loin to low set tail which she carries correctly. Attractive headpiece with good eye and ear, slight stop, fine muzzle and correct scissor bite. Standing well naturally on desired hare feet and moving freely with excellent self carriage. **BOB and Group 4.**

3. Tate's Ansanda Scarlet Nights.

AV Toy:

P (8,3) 1. Saffer's Ragemma Upsy Daisy. 9 mth fawn Pug bitch. This precocious young lady was a comfortable winner in this class and I thought her an exciting prospect. Feminine throughout, she appealed for overall type, size and balance. She presented a square outline with slightly arched neck, short level back, excellent rib for age, nice short

loin and super twist. Delightful head and expression with good breadth throughout, dark round eyes, excellent ears, wide open nostrils, nice wrinkling and super pigmentation. As sound as they come and moving out with attitude.

Strong neck of correct length, topline pretty good, excellent rib and loin and tail set on nice and high. Moving well in profile with confident carriage.

2. **Masters & Shakeshaft's Doucai's Show Boy**. 18 mth hairless Chinese Crested dog who was not entirely settled. He pleased in outline with clean neck of good length, firm level topline, nice ribbing, good depth to chest and moderate tuck up. Nicely proportioned head with good eye, ear and crest. Moving well enough in profile and coming towards but somewhat wider going away. For my preference there was rather too much of him. Good quality skin.
