KOOIKERHONDJE:

Many thanks to the Society for their invitation to judge the breed and special thanks to the exhibitors for coming through such awful weather.

J (3:2) 1 & BP Everett's Middanwinter Pony Parade. 6 and a half month old dog at his first show. Not too keen on being judged. Has well marked head, a good mouth, nice oval eye, good ear carriage level topline.

PG (2) 1 Kennedy's Crunchcroft Quantum Leap. Well balanced bitch, moderately curved skull with skull and muzzle of equal length, nice dark almond shaped eye, ears carried close to cheeks, well laid shoulders, neck is well muscled and moderate in length, moved well round the ring.

2 Wilson's Crunchcroft Ladybird. 8year old bitch finer in bone than 1, not too happy with the conditions today, Level topline, skull and muzzle equal in length, medium sized ears set just above eye level. Moved round ring well.

O (3:2) 1 & BOB Kennedy's Crunchcroft Onyx, 6 year old dog Moderately curved skull with skull and muzzle of equal length. Nice deep brown almond eye with black eye rims, pendant ears carried close to cheeks, well feathered with black tips, level topline, elbows lie close to the body, straight forelegs, well let down hocks, good spring of rib with slight tuck up. good tail set, flowed round the ring, good extension and had powerful rear action.
