CKCS

Puppy

1st Hubert's RABYMAR RAZZLE DAZZLE bl/ tan bitch of almost 12 months, very pretty head and large dark eyes with soft expression. Lovely for size with good spring of rib and short coupled, balanced body. Coat just coming now and will look more finished with that.

Held her topline on the move with correctly carried tail, she moved well BP and PG2

2nd Stanton's VERHEYEN ISABELLEAT CASSANDY another lovely puppy, Blenheim, very nicely marked with well broken, richly coloured coat. Not as forward as 1 giving away a lot in age, but she shows much promise too. She also moved very well for one so young and there was very little to separate them. Pretty head, nice size, has time on her side.

Junior

1st Stanton's CASSANDRA BRUCE BANNER BI & tan male just out of puppy and I loved him. Gorgeous head and eye with high set long ears. Lovely for size and type with glamorous coat, raven black and good tan. Can still spring in rib and couple up, but the frame is all there. Moved around the ring soundly, carrying a lovely topline and correctly carried tail, took BOB and a credible 3rd in a quality toy group.

2nd Street & Pages LUPHENEX LOGAN' S RUN Blenheim male, top size but balanced and nicely marked coat. Nice round eyes and excellent pigment with typical head. Could be a little more positive on the move as he paced when not moving quickly enough.

Post Graduate

1st Knowles LUPHENEX SOLENT LAD Blenheim dog of top size but is balanced and very typical. Nice head with good pigment and well set ears. Nicely marked coat and in good condition, moved and showed well.

2nd Willis' DINITROS AMBER INFERNO Ruby bitch with pretty head and kind eye. Well set ears framing her face. Nice size and well made body, just lost her topline slightly at times. Moved well around the ring.

3rd Hubert's HEARTHFRIEND JUST WILLIAM

Limit

1st Stanton's CASSANDY FORGET ME NOT BL & tan bitch with such a pretty head, dam of BOB and similar type. Another good for size who holds a lovely topline at all times. Couldn't match the hind action of the BoB but still sound and stepped out well to take RBOB. Lovely bitch.

2nd Dawsons LUPHENEX LITTLE LADY KATE Pretty headed Tri bitch with nice round eye, high set ears, of lovely size and great compact shape, who showed well when co-operating. Not in quite the condition of one today but moved well and holds a good topline on the move.

Open

1st Willis DINITROS EEVEELUTION Blenheim bitch with a pretty but strong head with a shade too much brow for me. Very nicely marked, richly coloured coat and good pigment. Happy showgirl, never stopped wagging and carries her tail well on the move, which was sound on the go around holding a level topline.
