K. BRENNAN

BURWEN BLUE JEAN AT KAYTONI

Promising youngster pleasing head Ratio blunt triangle when viewed from above cheeks needing to develop definite stop with slight furrow, muzzle straight ears caped slightly giving that shiba expression. pleasing depth of chest and rib cage. Short coupling in the loin, tail set high over the back with brush plume. Tight feet supporting tight pasterns on this well made exhibit open coat at her stage of development with correct texture. Moved out well freely and fluently forward foot placement, giving a nice performance coming and going and side profile P/B/Bob.
