

## HITCHIN & DISTRICT CANINE SOCIETY

OPEN SHOW 16<sup>TH</sup> APRIL 2023

Firstly I would like to say thank you to the committee for asking me to judge at your Open show today, also to all the exhibitors who supported me today. I had a great entry and a lovely warm welcome from the Staffordshire Bull terrier people.

### CLASS 204 PUPPY

1<sup>ST</sup> 361 KENTSTARS NARCISSA Pied bitch 7 months old short deep skull with muscled cheeks, distinct stop and short foreface. Lovely strong jaws already for a young puppy correct bite, eyes of medium size dark in colour, correct ear , lovely muscular neck shoulder show no looseness, correct deep brisket with well sprung ribs well defined ,forequarters and Hindquarters well boned and muscled correct tail low set, once she settled in the ring she moved ok both ways happy to award her BP in breed today .

2<sup>nd</sup> 357 ALPORT NO SURRENDER Black bitch 9 months old pushed really hard for the 1<sup>st</sup> place today, super short head already broad with pronounced cheek muscles, short foreface lovely black nose, mouth is correct, eyes dark and of medium size, correct ears which she used well, lovely deep brisket ,correct forequarters no weakness, feet turn out slightly, moved well both ways with good drive, level topline a lovely feminine girl who I think will do well in the show ring.

### CLASS 205 JUNIOR

1<sup>ST</sup> 363 DELACOUR SWEETEST TABOO FOR IDYLLICSTAFF 13months old pied bitch short foreface defined well-muscled cheeks, distinct stop ,neck clean in outline widens towards the shoulders, legs straight well boned deep brisket, feet turn out a little, hindquarters muscled, well bent stifles, movement parallel and held her topline on the move good drive from hindlegs.

### CLASS 206 POST GRADUATE

1<sup>ST</sup> 354 HAMMYSTAFF LOVE BOMB JW pied bitch very striking in her appearance, short foreface with distinct stop, well-muscled cheeks eyes are

dark and of medium size, muscular neck clean in outline, widens towards the shoulders, wide front, deep brisket legs straight no weakness at the pasterns , feet turn out a little , lovely topline held on the move both ways moved with drive from hindlegs, was happy to award her 1<sup>st</sup> today she was my RBOB however she also pushed really hard for BOB today.

2<sup>ND</sup> 368 PASGAL REACH OUT AND TOUCH black dog 2 and a half year old lovely strong head with a deep broad skull, pronounced cheeks short foreface ,black noise, ears of medium size correct ears, neck muscular widens towards shoulders, forelegs straight set wide apart , feet turn outwards a little, hindquarters muscled, stifles well bent moved parallel with drive.

CLASS 207 OPEN

1<sup>ST</sup> 355 HAMMYSTAFF RED REVENGE JW when I saw this male enter the ring I could not take my eyes off him he really does command the show ring once he settled in the ring I was able to see his qualities, he has a stunning head broad with very pronounced cheek muscles, correct mouth with super strong teeth in excellent condition , fantastic expression, distinct stop, short foreface, noise black, eyes dark and of medium size, lovely muscular neck which widens towards the shoulders forequarters are straight and well boned no weakness at the pasterns, no looseness at his elbows ,feet turn out a little , close coupled level topline ,deep brisket super well sprung ribs, hindquarters very muscled and powerful and agile on the move super drive from hind legs this male was my BOB today and I was happy to be able to award this to him super show condition .

2<sup>ND</sup> 356 ALPORTT BOLD RULER black male head broad and with well-muscled cheeks, distinct stop eyes dark and of medium size, strong Jaw correct teeth, muscular neck which widens towards the shoulders, forequarters legs straight well boned set wide apart, correct feet, close coupled with level topline well sprung ribs muscular and defined, moved well both ways, with drive and purpose.
