

Hitchen & District Canine Society

OPEN SHOW

Sunday 16th April 2023

I would like to thank Hitchen & District for inviting me to judge Cavalier King Charles Spaniels at your open show and to my steward on the day. The venue was nice and rings of good size. A very well run show. Thank you to the Exhibitors who entered under me, you were all good sports.

11 dogs entered, 3 absentees.

Class 218 Puppy (1 abs)

1st Hubert, Mrs L & Mr N. Rabymar Maggie May.

A Compact Ruby Bitch of nearly one year old, Quality coat coming. Nice shape in profile and moved well keeping a good topline. Head maturing nicely, correct dentition and large dark round eyes. Moved well around the ring. **BP.**

2nd Street & Page, Mr D & Mrs F. Luphenex Highland Dancer.

A pretty Tri coloured Bitch of 10 months with good eye pigment and correct dentition. Moved around ring with enthusiasm. A litter longer in Loin than 1st. Just needs time to mature and fill out more.

Class 219 Junior (1 abs)

1st Dawson, Mrs L, E. Luphenex Highland fling.

Blenheim Dog of 16 months, Stood alone, but enjoyed his time in the ring with plenty bounce. Moved well carrying a good topline. Correct dentition, good eye pigment, would prefer a more masculine head but overall a nice exhibit.

Class 220 Post Graduate (0abs)

1st Stanton, Ms C J. Verheyen Isabelle at Cassandy.

A well broken Blenheim Bitch of 19 months. Very pretty head with well set ears, large dark eyes and melting expression with plush muzzle. Spirit level topline on the stack and kept a good topline on the move. Overall a very nicely constructed little bitch who still has time to mature even better. Easy decision to award her **BOB**.

2nd Hubert, Mrs L & Mr N. Rabymar Razzle Dazzle.

Another pretty little Bitch, Black and tan of nearly 2 years. Shown in lovely coat condition. Petite head with good pigment and correct dentition. Stood nicely on the stack but tended to roach her back a little on the move. Finer boned than 1st.

Class 221 Limit

A little lady indeed, 6 year old tri coloured Bitch. Pretty head, dark round eyes with lovely expression. Matured with good spring of rib. Correct dentition. A little show off who moved around the ring with enthusiasm. In good coat condition. Carrying a wee bit of weight but she enjoyed her day with her owner.

A heavily marked tri coloured male of 3 years. Mature Masculine head, with large round eyes (would like slightly darker eyes), plush full muzzle, correct dentition. Nice neck leading onto well laid back shoulders, good front. Kept a decent topline on the move. **RBOB**.
