

Subject: Hitchen & District Canine Society

Brook Farm Training Center. Stapleford Abbots . Essex

19/04/25

Judge Peter A Young

I so enjoyed my day with this friendly society. Run for the benefit of the exhibitors at the capacious training center ,with it big rings and ample nearby parking making life much easier for all . I was really pleased with the quality of the exhibits sent through from the groups and spoilt for choice . I also had the good fortune to have Simon Gilpin as my steward for the day making sure things went well and in an orderly fashion .

BEST IN SHOW

Jone's charismatic and didn't put a foot wrong Jack Russell Terrier

Kaszavolgyi-Furge Milton Laserna

Smart looking 21/2 yr male made a good and typical outline , you could easily believe he could do the job intended . Presented in good textured coat and pleasing muscle tone . Confidently he strode around the ring with his co-ordinated free striding sound movement. His head is well proportioned skull to muzzle and of moderate width and well defined stop . His well shaped eyes are dark and full of keen terrier expression. His neck is strong leading to good shoulder placement and return of upper arm keeping his elbows close to chest . His topline is level, and his chest is oval and easily span able. His hindquarters are strong and muscular with low set hocks . Overall a lovely dog .

RES BIS Allchorne's majestic Basset Hound Nelgus Thyme Flies

Mature 6 yr old male who you imagine with his powerful fit for purpose typical movement, text book topline and gentle curving Sabre tail would be capable of great endurance. Domed head with some stop and prominent occiput is masculine and of good length . Muscular well arched neck into pleasing front assembly with well knuckled feet and ample bone . His ribcage is well rounded and sprung extending well back , tail thick at base is well set on with typical carriage. His hindquarters are muscular and well developed. His skin is supple and his coat short and close.

BEST PUPPY IN SHOW

Haynes's compact and with good substance and bone Norwich Terrier Alantro Solid Step 6 mth dog puppy with a lot going from him , overall so well balanced enabling him to move effortlessly covering the ground with ease . His head is broad and slightly rounded with good width between ears , well defined stop and good ratio of skull to muzzle. Good overall front assembly with firm pasterns . Compact body of good depth and well sprung rib cage . Broad hindquarter from which he pushes off well.

RES BEST PUPPY

BENTON & BEMELMANS'S Classical Smooth Collie Blamorder Double or Quits of Oakestelle

10 mth old blue Merle bitch with lovely breed type and general appeal . Well proportioned body with level back and slight rise over loin . Her head has a flat skull , with a slight stop , her dark eyes are set obliquely giving intelligent expression, her ears are well placed and used to advantage. Her well arched neck leads to pleasing front assembly with moderate bone on her straight front legs and well arched feet. Enough spring of rib . And hindquarters to match and balance with her front .Her movement is sound to and fro and easy and fluid on the go round .

BEST VETERAN

Benton's Smooth Collie CH Oakestelle Artemis ShCEx VW

Utterly feminine Blue Merle bitch of 73/4 yrs and in tip top condition , very similar to her kennel companion. Full of breed type with an easy and fluid and sound movement . Classical head which is in proportion to her body , graceful neck blending into well lad shoulder with good return of upper arm .In grand condition.

RES BEST VETERAN

Burrage's The briskly moving Cesky Terrier CH Komidion Prima Donna of Sametova ShCEx VW

This nearly 9 yr old bitch impressed for her breed type , outline and strong sound agile movement presented in wonderful muscular body tone . Her head is feminine and relatively long with pleasing soft expression, her ears close to cheeks . Strong set of teeth , ample neck into good well placed shoulder. Typical topline for breed rising over loin , and to a strongly developed hindquarter from which she drives purposely. Not at all surprised to learn that she is a champion of her breed .

BOSTON TERRIERS

Puppy D/B 4/2

2 quality 8 mth bitch pups who are litter sisters , each with good heads and a lot to like, and good representatives of the breed bit slightly different from each other.

1 st Master's Aprika Graceland

Super co-ordinated free and sound movement on this very feminine compact well marked and square bitch who stands on small round well arched feet . Her head is well balanced and square in appearance with well defined stop . Good lip line and finish to jaw , good open nostrils. Her neck which is of fair length leads into her well placed shoulder with good return of upper arm enabling her to stand well over her front. Her ribcage is both deep and well sprung with good width to chest . She stands well on her hindquarters with enough turn of stifle.Best Puppy.

2 nd Atherton-Kemp's Aprika Glory Days

So many of the the comments of first also apply here . Slightly larger frame ,and more mature but still a comfortable size , lovely well balanced head with symmetrical markings and kind expressive dark eye and neat small ears . Good width to jaw and overall finish to mouth. Open nostrils.Ribs deep and well sprung , gentle curve to rump , stands well on her hindquarters. Again moved well, perhaps carrying a little bit less weight would enhance her outline .

Post Graduate 3/1

1 st Gardner's Shiricyres Melrose for Labrastaf

3 yr old bitch, squarer of the two and quite typy ,pleasing head with neat ears and good bite. Well developed body, overall good balanced front and rear , well sprung ribcage . Stands on good feet . Easy free mover .

2 nd Sandells's Shawmut Shelby Dakota

Better headed of the two ,with great presence but not as compact, in grand muscle tone and sure footed strong mover . Pleasingly marked , ample neck and good lay of shoulder. Well made body and good topline with gentle curve of rump to slight hind of a tail . Strode around the ring as if she owned it .

Open 3/1

1 st James's Aprika Fifth Avenue JW

On the stack she presents such a graceful and symmetrical ,compact and balanced outline, on the move she excels with her easy co-ordinated gait , keeping her graceful outline. Feminine in outlook and well schooled to display her many attributes. Stands on tight well arched feet . Her head is square in appearance, and her muzzle short with well defined stop . And well shaped dark eye , her neck flows into a well laid shoulder with good return of upper arm and fill in of chest . Well shaped ribcage , short loin , firm hindquarter. . BOB

2 nd Sandell's Shawmut The Trailblazer.

Fit and active handsome dog of 4 yrs , very typical and typy . Pleasing masculine yet not over done head , good width of jaw , good bite , good use of his ears , a little lighter in eye colour than 1 st . Well developed body with deep well sprung rib , Ample neck into well laid shoulder, stands over his front ,slight curving of rump and hint of tail , such well muscled hindquarter. Easy fluid mover . Much to admire . Res BOB .

CHINESE CRESTED

Puppy 1

1 st Bartlett's Exotic Spirit Vvildeers Dragon Avec Michadaine

9 mth male powder puff who I feel has great potential. So well of for breed type . A little reluctant to show off his virtues today, but what I did see was a handsome headed dog of good size with easy movement. Best Puppy.

Post Graduate 1

1 st Bartlett's Exotic Spirit Undercover of The Darkness avec Michadaine JW

22 mth male powder puff with sound and fleeting movement, certainly well off for breed type . Masculine and refined head with dark eye and good expression, full complement of teeth , graceful neck into good shoulder and ample body with moderate tuck up . His tail is set on high and carried well when he goes around the ring maintaining his level topline and dignified head carriage . BOB

Open 1

1 st Bartlett's Michadaine Crazy For You ShCEx ShCMVW

101/2 yr young lad with plenty of enthusiasm. Larger than the two previous class winners and in great muscular overall body condition, Again a handsome head lad with gentle expression from his dark medium size almond eye , the balance of skull to muzzle is 50/50 . Stands well over his front which comes from his well placed shoulder. He has a mature well developed body and is sound on the to and fro . RES BOB

PAPILLONS

Post Graduate 1

1 st Brockwell & Eman's Baillion Black Pearl

Stood on her own , but a well worthy winner in any company . A bl/ wh 2 yr old of lovely size and overall balance making a typical silhouette of the breed . Her head is feminine and well marked with a distinctive blaze , her head proportions of skull to muzzle are correct, her large round tipped and generously fringed ears frame her head so well . Ample neck into a well laid shoulder with straight front legs done to her typical hare like feet . Her level topline leads to a set on high well fringed well carried tail . Her movement is light and fluid she covers the ground easily. All topped with a clean silky coat BOB
